Where does the money go?

Bridgeton Improvement Committee (BIC) does good works not only in Bridgeton, but throughout Craven County as a whole. After all, what is good for Craven County ends up being good for Bridgeton as well. Projects have included but are not limited to:

Vernon Blades Park: BIC is a major contributor to the development of this 2.38 acre town park beautifully situated on the banks of the Neuse River.

Neuse River Bulkhead: Contributed to the installation of an erosion fighting bulkhead to curtail shore damage

www.bridgetonbiz.com: Developed and hosting a website providing a free listing for any business in the Bridgeton area desiring it. This is all done at no cost to the individual businesses.

The Bridge Street Park: Converting a washed out mud pit at the end of Bridge Street into a beautiful civic park suitable for framing.

Town Welcome: BIC has been instrumental in working with the NCDOT to turn a state owned weed patch into a beautiful landscaped entrance to the town.

Community Watch: BIC is a major supporter to the recently formed Neighborhood Watch dedicated to making our community a safer place to live.

Public Safety Department: BIC paid for vehicular maintenance and repair on our police department truck.

Welcome to Bridgeton Banners: Street light banners to beautify the streets of town

The Town Christmas Tree: Paid for installation of the official Bridgeton Christmas tree

Bringing Santa to the area: Each Christmas we bring Santa in to delight kids from the Greater New Bern area.
